

To join our *international* organization: Mutual UFO Network Inc., please visit mufon.com.

You have an opportunity . . .

to learn about unusual events...

to help find the truth . . .

to join the world's largest civilian organization devoted to investigating reports of unidentified flying objects.

Find out why MUFON members around the world regard UFO pursuits as not just a light hobby but as serious business. Get solid information on recent UFO events from genuine on-site investigations, not merely armchair speculation on internet message boards. At MUFON gatherings you'll meet men and women of all ages and backgrounds who share an abiding interest in this, the greatest scientific mystery of all time.

Michigan MUFON Inc meets five times a year and puts out a bimonthly newsletter on UFOs.
